BUYER RECOMMENDATIONS

- Shipping and transportation equipment is permitted only in the original container.
- Does not require special conditions for realization.
- Dispose of in accordance with regulations for the disposal of household and computer equipment.

PURPOSE

SVEN EX-15 power strip is designed for connection of electrical appliances to the electric mains.

FEATURES

- Special type of power strip model designed to be used with SVEN UPS and many others with IEC-320 (C13) type output sockets, allows you to increase the amount of connected devices.

SAFETY PRECAUTIONS

- Do not connect the power strip to power mains with overrating voltage.
- Do not connect simultaneously the load to the power strip with the total power more than 2200 W.
- Do not use in places with possible ingress of liquid, moisture, dust and high temperature exposure.
- Do not open and do not make any repairs by yourself.
- It is recommended to connect the power strip to the grounded power mains.
