BUYER RECOMMENDATIONS

- Shipping and transportation equipment is permitted only in the original container.
- Does not require special conditions for realization.
- Dispose of in accordance with regulations for the disposal of household and computer equipment.

APPLICATION

SVEN AP-U996MV 7.1 gaming headphones with microphone allows you to experience 7.1 surround sound in games, music and movies. Dynamic lighting creates the atmosphere of this game. Closed style of the headphones with passive noise reduction and superior sound quality gives you the opportunity to hear the enemy before he will hear you.

PACKAGE CONTENTS

- Gamings tereo headphones – 1 pc
- CD with software – 1 pc
- User's Manual – 1 pc
- Warranty card – 1 pc

SAFETY PRECAUTIONS

- Don't use the stereo headphones while driving.
- Don't use the stereo headphones at high volume for a long time (more than 15 minutes), as this may cause hearing impairment.

SPECIAL FEATURES

- Dual speakers immerse you in a setting of crystal clear sound and special effects. The ergonomic design with a customizable headband is designed so that you can spend hours in this headset without any fatigue
- With 7.1 virtual sound, you can enjoy a more realistic, clear sound. You can determine the direction from which sounds come. This gives you an edge over your opponent

- Superior high-quality eco-leather ear cushions made with High protein technology provide extra sound insulation
- Highly sensitive noise-canceling microphone allows you to chat with a team or talk in online messengers
- LED lights that add to your gaming atmosphere
- On the wire is the control panel for the main functions of the headset

CONNECTION

- Connect the headset to a PC via a USB connector. Make sure that the headset is connected directly to your PC and that the USB port provides sufficient power. Do not connect the headset through adapters (HAB)

SOFTWARE INSTALLATION

- Comes with additional software to extend the headset functionality and functions 7.1
- Please make sure the headset is connected to the computer before installing the software
- Insert the software disc, open it, and run file «SSSAudioControlSetup.exe»

Please select language and click next.

Select «Yes. Restart now» and click «finish» button to complete installation.
