## User's Manual

### ***Congratulations on your purchase of the Sven Multimedia Keyboard!***

Please read this User's Manual before using the unit and retain the User's Manual in safe place for future reference.

#### **COPYRIGHT**

© 2014. SVEN PTE. LTD. Version 1.0 (V 1.0).

This Manual and information contained in it are copyrighted. All rights reserved.

#### **TRADEMARKS**

All trademarks are the property of their legal holders.

#### **NOTICE OF RESPONSIBILITY RESTRICTION**

Despite the exerted efforts to make this User's Manual more exact, some discrepancies may occur. The information of this Manual is given on "as is" terms. The author and the publisher do not bear any liability to a person or an organization for loss or damages which have arisen from the information, contained in the given Manual.

#### **UNPACKING**

Unpack the device carefully. Make sure there are no accessories left in the box. Check up the device for damages; if the product was damaged during transportation, address the firm which carried out the delivery; if the product functions incorrectly, address the dealer at once.

### 6. TROUBLESHOOTING

Problem	Solution
Keyboard is not working.	1. Disconnect keyboard from PC and check connector pins for possible damage. If there is no external damage found and connector pins are OK, connect keyboard to PC again. 2. We recommend to address nearest authorized service center.
Problems with Sleep button (Sleeping mode).	Make sure that power control has been activated both in BIOS and Windows.

If none of the above methods can solve the problem, please seek professional advice at your nearest service center. Never attempt to repair the product yourself.
